worklite

levitate™

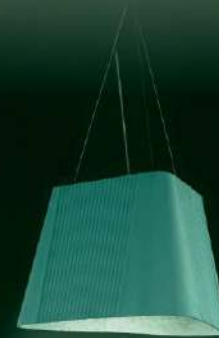

To change the needs of work environments Wipro seating solutions and renowned designer Michael Foley present Levitate for futuristic agile work spaces.

lyft™

Easy to fit into any space with ease of movement and adaptability. Lyft is the perfect solution to lift up an environment and maximize working comfort.

inform™

The right light creates the perfect ambiance in different application areas. Inform lights are designed in such a way as to create a dynamic architecture.

cloud9™

An exciting new initiative, beckons designers from across India to come together and share their invaluable input and contribute to the vibrant design community.
